## Further information

About me

I'm looking for a job as a frontend developer or layout designer.

I'm learning WEb development since November 2021. I independently studied:

- HTML
- CSS
- Javascript
- Python basics
- GIT and GitHub (<https://github.com/Belaz4x4>)
- GULP
- Linux and terminal

I was studied in YtYt python developer course, GLO Academy layout course. Now i study GLO Academy Javascript course.

Here is website with my works: <https://insight-webstudio.ru/>

At my previous job i got experience with buisnes processes building, automatization of standard tasks, working with command in CRM.
